

The Glyco•Bears tablets deliver nutrients growing bodies need to supplement a healthy diet, but without sucrose, dextrose or synthetic colors and flavors.

Contribute to overall good health.*

Include Ambrotose complex, formulated to support cellular health and function.*

Delicious Glyco•Bears multivitamin and mineral product includes essential vitamins, minerals and other nutrients beneficial for young people in their primary growth years, 4–18.

The healthful base is made from 30 different fruits and vegetables, including beet, broccoli, carrot, celery, cauliflower, spinach, apple, orange, peach, grapefruit and lime—all packed into “kid-approved” berry and citrus flavors. Mannatech’s Glyco•Bears tablets also furnish children with Ambrotose complex.
